Although Jade lives in Denver, she flew out to LA to scope out graduate schools. Our photographer ran into her on the street and convinced her to shoot some porn pictures. "I'm a naturally horny girl, and I thought your photographer wanted to fuck me! I flirted and played along, and then he pulled out a camera, and I was like, 'Oh, shit. He was serious about the porn thing.' Then I thought, 'fuck it! I might as well follow through.'"

That's Our Fantasy, Too!

"I would love to have a reverse gangbang. That's where there's one guy and at least four girls fucking him. We'd fuck each other, too, of course. I think it'd be awesome to overload a guy with stimuli until he can't take it anymore."

"I've had some pretty crazy sex before," Jade told us. "One time on a road trip to Arizona, I gave my friend road head for, like, half an hour. I couldn't make him cum from the blowjob, so I made him pull over and fuck me on the hood of the car on the side of the road. We didn't even bother to hide because it was on a small, rural, two-lane road with minimal traffic. Still, a bunch of people honked at us!"

Fantasize about fucking Britt all you want, but don't piss her off. "I grew up doing martial arts. I still practice a few times a week. I just joined a UFC gym and I'm doing really well. My trainer told me that he wants me to compete, but I like my nose too much to get it broken in a fight! I'll stick to watching the fights on TV."

"I spend most of my time online. I live on Twitter and Instagram. I also do all of my dating online now because it's so much easier. If I'm looking for something long term, I'll go to a certain site. If I'm looking to fuck, I'll use an app. On average, I probably find two or three guys a week to meet up with to screw or make out with."

Now That's A Wild Ride!

"I went on a family vacation to Six Flags and got bored, so I seduced a guy working at the soda stand. I took him into a bathroom with the plan of just sucking his cock, but we ended up fucking. I left without even learning his name."

PLEASE DON'T RECYCLE CONDOMS

In news we never thought we'd have to share, the Centers For Disease Control put out a tweet to tell people to stop reusing condoms. "We say it because people do it: Don't wash or reuse condoms!

Use a fresh one for each sex act."

Epidemiologist with the CDC's Division of STD Prevention, Elizabeth

Torrone, expound-

ed, "Condoms prevent the spread of most STDs and likely reduce the risk of all STDs, but a condom is only effective when used correctly."

FOOLPROOF PENIS ENLARGEMENT

A new medical procedure promises to enlarge your member and improve your sex life, but by adding girth, not length. Some men are choosing to inject hyaluronic acid fillers into their penis. Plastic surgeon Joshua Zuckerman, MD, stated that although the most-commonly used fluid for this procedure (Juvéderm) isn't currently FDA approved for this use, it's safe for this use when injected by a licensed plastic surgeon. Although a round of injections can cost around \$3,000, the procedure is invasive, and the results are temporary, the added two-and-a-half inches of girth reportedly still makes it worthwhile.

There's only one surefire way to get bigger, but it can be painful.

CUMCAM

Dear Naughty Mag,

Last weekend, I drove to my hometown to visit my parents. Whenever I'm back in town, I try to see my childhood best friend Danni. We grew up across the street from one another, and we spent most afternoons in our childhood playing. Danni is a tomboy, and I've always thought of her more as a sibling than a potential paramour, but one would have to be blind to not recognize her natural beauty. She's 5'10", has green eyes and dark brown hair. We've always been there for each other, asking for relationship or family advice, school help, etc.

Danni and I met up in town to grab some burgers and beers before heading to her apartment to play video games. That was our standard hang-session. As we played, we made small-talk and caught up on life shit. I told her about a side hustle I had that helped pay the bills.

"So," I stammered, staring at the TV. Lately I've been doing cam shows." "Don't lie to me," she pressed. "Only girls do that." "They make more money, but guys can do it, too." "So you jerk off online for old gay guys with money?" "Sometimes, but there are more women paying me than you'd imagine." Danni smirked and rolled her eyes before asking her next question. "Do you think you could show me how to do what you do? I have some bills I need to pay, and my phone's screen is cracked. I'm sure if you can do it, then I'd be hot shit on there."

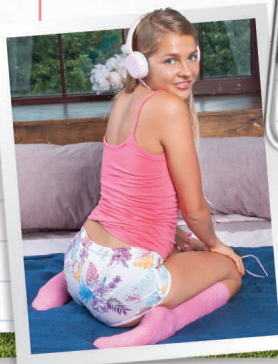

I gave her a playful shove, then stood up and got my laptop out of my backpack. I showed her the site I use, how to create a username and set up a gift wish list and how to position the screen. She was intrigued by each step. I decided to open up a live session to show her how to bargain with viewers. We immediately got a viewer, then a few minutes later, we got another three, followed by five more. "Wow," I remarked. "I rarely get this many people this quickly." Danni responded, "I told you I would be better at this!"

"You've got to give them a peek at your cleavage or something in order

continued on page 64

"Show me how you do those cam shows."

Elis

Seattle, Washington

Student

Age: 18

Born: September 28

Ht: 5'6"

Wt: 118 pounds

Bras: 32A

Panties: Comfy ones

Anal: Only licking so far

BJs: I've never given a blowjob

Masturbate: Once a week

"I only lost my virginity a few months ago," Elis told us in a phone interview. "I've still only had sex with my boyfriend, but we've been doing it a lot. So far, we've done doggie-style, missionary, cowgirl and spooning. I was looking at porn online to give me ideas for new positions. That's how I found your website. I love how you guys have regular girls and flatties like me. I told my boyfriend I wanted to send in pics and he was all about it."

Butt Lovin' For Elis

"The first time my boyfriend licked my ass, it was a surprise! But it felt so good, I told him to keep going. He was fingering my pussy at the same time, and I came harder than I had ever cum before. Since then, it's a regular thing."

"I'm going to college soon, and my boyfriend is going somewhere else. I'm worried about going long distance, but I'm sure we're going to make it work. He went out and bought me a dildo so I can make myself cum every night. He also gave me permission to hook up with other girls at school, but I'm not sure I want to become a lezzie for months at a time. I'm going to miss his cock!"

Cristin is a skinny mini, but don't worry about throwing her around in the sack. She can take a deep pounding. "I love aggressive, animalistic sex," she explained. "When a man grips my hips from behind and his fingers grip me so hard that he leaves bruises, I lose my mind. There's nothing better than getting rough and then switching back to gentle, sweet lovemaking to finish."

"I am seeing three men right now. They all know that I'm not looking for a long-term relationship, and they're cool with it. One of them took these photos, but I gave copies to all of them. They all freaked out about how good they turned out, and one of them convinced me to send the photos your way. They love to share!"

Let's Get Photos Of That!

"I haven't had a threesome yet because I think I'm too clumsy to take two cocks at the same time. I'd prefer having one with another girl, but it's hard to find a girl to join us. When the right one comes along, I'm going to pounce."

We last saw Luna in our May '18 issue. She got such a rush out of seeing her pictures in print, she sent these in hopes of getting a second round. We're never going to turn down photos of a babe in the shower. "I showed that magazine to all of my friends," Luna told us. "At first they were all like, 'ew! I don't want to see that.' But eventually they told me they were really proud of how adventurous I was being."

You Gotta Keep The Bush

"I was on the verge of shaving my bush when my issue came out, but then I saw myself in print and loved how I stood out from all of the other girls with shaved pussies. I'm glad I decided to keep my hair. It makes me unique."

We pride ourselves on getting photos and videos of amateur girls-next-door. Of course, not every girl-next-door is a 20something with C-cups and a skinny frame. Some of them are thick, tatted and horny as fuck. Meet Alexis. Guys, when we tell you that she's wild, we really mean it.

We asked Alexis about her craziest sexual encounter. "When I was 18, I fucked my brother's girlfriend with another guy. My brother and his girl were swingers, so they didn't mind. It all took place in my sister's bed, too! I was eating out the girlfriend while the guy fucked me, then we swapped and she gave me the best orgasm with her tongue. The guy went and got some ice cream and put it on the crack of her asshole and made me eat it off of her!"

Quick, Grab The Zucchini!

"I masturbate at least seven times a week. Sometimes, I get so horny, I grab whatever I can find in the shape of a cock and shove it up my cunt. The thicker and longer it is, the better. I love getting stretched."

BUSH Baby

"My boyfriend took these photos last Valentine's Day as a fun, kinky thing to spice things up," Dea let us know. "I bought a new thong for myself and a new camera for my guy. He had been barking up that tree for years, but I never felt comfortable enough with my body to allow him to shoot me, but I lost some weight after I gave birth and I was feeling frisky."

"My guy loves my bush. I'm kind of apathetic about it. I like it when I'm smooth, but I hate the itching when it grows out. When I'm really hairy, I like how much my boyfriend wants to eat me out because that's my favorite thing ever. The downside is that I don't want to wear my bikini because the hair pokes out."

Sharing Is Caring, Deal!

"After we took these photos, we kind of got on a kick of shooting them. Every time we go on vacation now, we end up taking photos. We shot some hardcore fucking pics, but we're going to hold on to them for ourselves."

We have a stable of studs, and they practically came to blows deciding which one was going to get to fuck April. The guy who won described April as, "A dream come true. She's a tight little piece who was open for anything." That's high praise coming from a guy whose job is to fuck hot teens. "Guys are always nice to me after I let them fuck my ass," April responded.

"I discovered my love for anal before I even had sex," April told us during a brief interview. "When I first started masturbating, I always fingered my asshole while I rubbed my clit. I thought all girls did that. It was only until I was chatting with some friends in school that I found out some girls hate anal play. My friends were, like, disgusted that I had anal with my boyfriend at the time just as often as we had vaginal sex. But then again, I had an orgasm every time I fucked, which isn't something they could say."

Isn't Vanna a little cutie? The brace-faced ballet instructor made a strong impression with our photographer when we asked her to start stripping. "Oh my gosh," she exclaimed. "I'm already so wet just thinking about doing this! It's like a dream come true."

"I lost my virginity on an early-release day in high school. I brought a boy home and told my parents he was gay so they wouldn't worry about him. We fucked in the pool, the bathroom, my bedroom and the living room before my parents came home and we had to stop. It was incredible. I was hooked immediately. I knew I was, like, pretty much a sex addict."

BUSH Baby

Alisa's hometown is pretty bleak. She told us so in an email. "I need to get out of here. We used to do a lot of logging and mining here, but now that has slowed down. I want to move to the city to be around artists and musicians! I'm selling my photos to afford the move. I know you like big bushes, so I grew mine out for you! I hope you enjoy my photos. This is my first time."

The Gift That Keeps Giving

"I used to masturbate using only my fingers, but then I began dating a much-older man who taught me how good toys can feel. He spoiled me with sexy presents. This toy is my favorite. It's so wide and firm. It fills me nicely."

to keep them logged on," I goaded. "Your sparkling personality isn't what they're looking for."

"That'll be five bucks," Danni responded.

"Normally, you'd want to tease them first. I'm sure nobody is going to pay you five bucks immediately after you log..."

I was interrupted by the musical ding-dong sound that indicates when somebody tips a model. I looked down and saw Danni's account was now five dollars richer.

"Look away, dude," she giggled. "This is a show for them, not you!"

I politely looked away, but I caught her reflection in the screen as she lifted her shirt and exposed her firm C-cup tits. She held her shirt up with her mouth, then pinched and rolled her nipples with her fingers until they were hard and rosy pink. I read the comments our viewers were leaving. They wondered why I had to look away. Some guy asked if I was gay.

Danni sprung to my defense and typed that we were just friends, and we wouldn't be doing anything to one another no matter how much anyone was willing to pay.

"I wouldn't say that," I said to her. "I mean, if someone gave us \$200, I'd totally fool around with you. I think that's what they were expecting when they saw the two of us on screen. They want hardcore action."

"Dude, that would be too weird for only \$200," she sighed, and I felt the boner that had been growing in my pants begin to subside. Our chat room had grown significantly since Danni flashed her tits, and we were sitting at around 50 participants.

"But," Danni whispered, looking into the camera. "I'll suck his cock for \$500."

I nearly choked. Beside the fact that no one in their right mind would pay that much to watch a blowjob, I realized that meant that in Danni's mind, there was a possibility that she'd fool around with me. My boner returned.

Another ding came ringing from the laptop. This time it was a private message. A user wrote, "For \$500, I

want to watch you two fuck, and I want it kinky."

"Is this guy for real?" Danni asked me.

"I have no idea, but I'm game if you are. We'll just make him pay up front." As I sat there realizing that what I proposed could very well drive an irreversible wedge between my best friend and myself. The wait for her response felt like an eternity.

"There's only one way to find out," she finally exclaimed. "How do we do a private show for him?"

I asked the user to send us the money up front, and when his payment came through, I set up a video chat on a free encrypted service. Danni and I took a moment to look at each other and let the concreteness of the decision sink in before our mystery tipper logged in. We smiled and she asked how much of the money she could keep. I offered to give it all to her, but she insisted that we split it 50/50. When our tipper appeared in front of the screen, we were ready for him. He was a middle-aged guy in what looked to be a home office. He was already naked, and it looked as if he had begun jerking off. We intro-

duced ourselves and thanked him for his generosity. "Are you guys really just friends," he asked. We told him our story about never even kissing in the 20 or so years we'd known each other. "This is going to be awkward," he responded.

We stood up and made sure both of our bodies were on the screen. I pulled off my shirt as Danni did the same. Her tits were lovely, and her nips were still rock hard. I took off my pants and watched as Danni slipped her panties to her ankles. In the crotch of her thong, I saw a large wet spot.

"I want to see your first kiss," the tipper said. We sat on the edge of Danni's couch and I brushed hair away from her face. I leaned in and pushed my lips against hers. They were soft and supple. Her tongue darted against my own. Danni grabbed for my cock and began to stroke me. "Atta girl," we heard from the speakers. I reached for her tits and began to rub her firm nips, gently squeezing them as she moaned.

"Show me your ass, Danni," our tipper moaned. Danni obeyed and got onto her knees doggie-style, shaking her pussy and ass in front of the computer. I looked at her face and she winked at me. I leaned back on the couch, my erect cock inches from Danni's face. She took the hint and began to suck me. I positioned myself so our viewer could watch her work on my pole while still getting a view of her slit. "I like the looks of that," the speakers blared. "Does your friend know how to suck cock?" he asked me. I murmured a soft yes, completely lost in the ecstasy of her mouth. As she sucked, she stroked my shaft and gripped my balls. She truly was amazing. I felt harder than I'd ever been. She took my entire length into her throat and sank her chin against my balls. Our viewer was loudly masturbating now, and that turned me off, but I think it had the opposite effect on Danni. She moved her ass away from the computer so that she could look at the screen. She locked eye contact with our mystery wanker as she continued to suck my dick.

"I want to watch as you two fuck," he said authoritatively. "Move to a bedroom." Danni took my hand and led me into her room. I held the laptop in front of me so that our patron could have a point-of-view

Lily graced the pages of our last issue, but she sent in more photos and we thought it would be rude to throw them away. "My fuck buddy who shot my pictures fucked me really good after the last issue came out. I wanted to see if it would happen again," Lily explained.

"Since last time, I've become a little more serious with my fuck buddy. We're still not boyfriend and girlfriend because labels are stupid and only make things messy, but I started to catch feelings for him. We're not currently fucking anybody else. We wouldn't have time to even if we wanted! We're on each other, like, 24/7. I got on birth control just so he could creampie me, which is something neither he nor I had done before. It was so good, I was kinda pissed I had waited so long. Now I know why some girls accidentally get pregnant!"

Smoother Than Glass

"I just started waxing my pussy. I've always been a shaver, but I decided to get it waxed for this photo shoot because I didn't want any stubble. I love the way it looks! I'm so smooth, and wearing silk panties now is a treat."

Anal: If you know how to

BJs: Swallow

Masturbate: Once a day

"I'm a swinger," Alby told us bluntly. "My first experience was with my husband's friend and his hot girlfriend. We all drank whiskey, watched porn, got naked in a hot tub and fucked for hours. That was my first experience licking a pussy. It was incredible. I loved how powerful I felt when I entered her pussy with my fingers. It was a trip!"

That's Quite A List, Alby!

"I have several fetishes. I classify myself as a sub/slave. I enjoy bondage, light spankings, humiliation and pet play. I also get a kick out of watching my husband have sex with pretty women. I also like fucking 18-year-old men."

Let's get hairy! Aria is from eastern Europe, a place where they still appreciate the bush. "It's abnormal to shave down there," she told us via email and the use of Google Translate. "Men and women use scissors to trim their pubic hair here, never a razor. The first time I saw American porn online, I was shocked! Why do the women there insist on looking that way?"

The Camera Is An Aphrodisiac

"I had such a good time taking these photos. I think I'm going to take a lot more in the future. I got so horny when I was masturbating and I heard the camera clicking. With each click, my pussy got wetter and wetter."

Layla

Daytona, Florida

Age: 18

Born: December 31

Ht: 5'5"

Wt: 130 pounds

Bras: 32C

Panties: G-strings

Anal: No licking. Just stick it in!

BJs: Spit

Masturbate: Twice a day

"I know that some guys will see my tattoos and think that I'm a party girl or something," Layla mused to one of our editors. "But that couldn't be further from the truth. I like to have a good time, but I'm a pretty down-to-Earth girl who likes simple things. For dates, I like to go to the beach and have picnics. I'll only put out after two dates, too."

A blonde woman is lying on her back, looking directly at the camera. Her hands, with bright pink manicured nails, are placed on her buttocks. She is wearing a dark blue top. The background is slightly out of focus, showing what appears to be a window or a balcony railing.

"One time, I had sex in a car in a restaurant parking lot. That's about as crazy as I get. Some of my friends are real sluts and they try to push my boundaries. They're rarely successful. Okay, one time my girlfriend convinced me to bang her boyfriend with her, but that was my only threesome experience, and I only fucked the guy. I've still never fooled around with another girl."

Linger A Little Longer On Layla

"The thing that turns me on more than anything is neck kissing and teasing. The anticipation is what makes sex really special, I think. I love when a guy kisses his way down my body, lingering just long enough to make me squirm."

look at where we were heading. I laid on the bed and faced the screen at my cock, now hard as a rock and sticking straight up. Danni climbed onto my thighs and resumed stroking me. Her legs straddled me, and I could feel her warm, wet pussy on my leg. I was nervous and anxious, but mostly I was just horny.

Danni saddled up to my waist and gripped my shaft, positioning it on her fuck hole. She guided me into her, which was easy because of my precum and her juices. She was incredibly tight. I was only a couple of inches inside her, but she was already moaning. I looked up to her face and saw her eyes roll into the back of her head. She was biting her lip, and it looks like she was about to cum.

"I've never told you this," she whispered through heavy panting. "But it's super easy to make me cum when I'm this turned on. It's kind of embarrassing, but if you let me get the first one out of the way, I'll have a little more time until the next one."

That almost made me cum in her right then and there, but I knew that our patron demanded more of a show. Danni sat down all the way and her cunt spasmed. More of her cream ran onto my balls. She took a moment to catch her breath before she began to rock her hips on top of me. I gripped her ass and guided her body. As we fucked, I heard our viewer jerking off. I was silent, but he and Danni were moaning in synch. She was performing for him. After a few minutes, he told us to change positions.

Danni climbed off of me and stuck her ass up in the air. I took my position behind her, putting the laptop on the bed. I bent my body at an angle so that the computer could see the penetration. I glided myself into Danni's shaved pussy, then pulled it out so I could see my friend's gaping hole. I rubbed the tip of my dick against her clit and watched her squirm below me. "If you don't stop teasing me, I'm never going to have a second orgasm," she said. I did as I was asked and slammed my dick back into her. She squealed and pushed her butt cheeks against me. I moved my hips back and forth, thrusting deep

into her, hitting her G-spot. Her cream coated my shaft, and it felt as if a furnace had been lit in her loins. Her whole body tensed and shook, but I sustained my rhythm. She came hard on me, but I persisted, not giving her a chance to catch her breath or to let her orgasm subside. "Stick a finger in her asshole," the computer chimed. I licked my pointer finger to lube it up, then pressed it against her pink, tight butthole. She gasped, and as she sucked in air, I slid into her nether region. If I thought Danni couldn't get any tighter, I was wrong. Between her convulsing orgasm, her naturally thin frame, and the shock of having my appendage in her butt, her vagina became viselike. I grabbed the computer with my free hand and held the cam above the action. He saw my cock in Danni's pussy, my finger knuckle-deep in her starfish, and her face buried in a pillow. She was moaning like an animal. I hadn't let her back down from her orgasm in almost 90 seconds, and I could tell she was getting tired. I picked up my speed and fucked her as hard as I could. I slipped my finger all the way into her asshole and pressed the thin wall between her butt and her pussy, massaging my dick tip through her. She screamed in a guttural way, and my entire body shivered with an impending orgasm. Our viewer must have been close, too, because he ordered me to cum on Danni's face.

Danni pulled her body off of my dick, relieved to end her orgasm. I stood to my feet as she knelt below me. She grabbed my dick and stroked me wildly as she began to suck on my tight balls. I erupted a thick rope of cum that flew over her head. Danni moved her face, and the second rope of jizz landed square on her chin and continued up her nose to her forehead. The third, although smaller, coated both of her cheeks. She wrapped her lips around my dick for the rest, and gently swallowed the ever-decreasing amounts of my seed until I was finally drained.

After we caught our breaths, we thanked our viewer and logged off. I was dumbfounded, and Danni was shivering and messy with cum. We were spent, so we just looked into each other's eyes and laughed. We didn't have to say anything. We are good friends, after all.

"Sex is a great workout, so I'm going into this expecting to be exhausted," Xeena told us when we asked her what she wanted out of her first porn experience. "I'm also looking to break out of my shell. I was very shy back in high school and had a small circle of friends. I guess you could call me a nerd. I'm trying to be more confident. I think shooting porn will help!"

She'll Lend A Helping Hand

"I've always wanted to take someone's virginity. I want it to be a guy, but I'm not picky about too much else. I'd love to fuck a teenager and show him pointers, but I'd also give an older guy a pity lay to help him out."

"Your stud had the second biggest cock I've ever seen. The biggest guy I had was a random hookup walking home from a concert. He was smoking some weed and offered me a hit. We ended up banging in a park on a picnic bench. His dick took my breath away. It was like a fucking flashlight!"
